Mixer Gearboxes and Transmissions

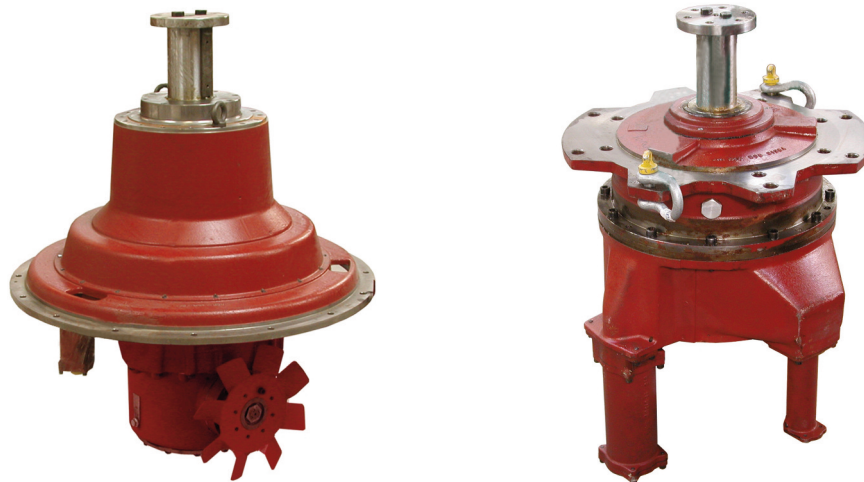

ConSpare

CONCRETE PRODUCTION EQUIPMENT

ConSpare stock a range of Cobra Rau pan mixer gearboxes. Cobra Rau gearboxes can be used to replace ZF gearboxes in a wide range of mixers including Teka, Pemat, Rapid, Steelfields, Arbau and Arcen.

Our stock range also includes components to assist with conversion from ZF to Cobra Rau such as adaptor flanges, drive (cardan) shafts, hydraulic fittings etc, supplied on a sale or return basis.

We offer highly competitive prices and ex-stock availability which helps avoid expensive shipping costs associated with urgent delivery from overseas.

Our Pinxton warehouse is centrally located adjacent to J28, M1 motorway and in breakdown situations delivery can usually be arranged on a sameday basis, thereby saving valuable time when you need to get your mixer running quickly.

Our sales office team are very experienced and can offer technical support, detailed drawings, installation assistance etc. We can also recommend subcontract fitters to assist with installation.

Next time you need a mixer gearbox in a hurry, call our sales office on 01773 860796.
